WORK EXPERIENCE

Maxx Sports TV & Texas Sports Radio Network (TSRN)

August 2018 – Present Day

Production Manager

The Woodlands, TX

- As a dedicated and results-oriented Production Manager at Maxx Sports TV, I successfully led and managed various aspects of live sports production, ensuring the seamless execution of high-quality broadcasts. With a strong background in production techniques and a passion for sports, I consistently contributed to the company's mission of delivering engaging and captivating content to audiences worldwide.
- Led the production team in broadcasting major international sports events, including the University of Houston Big Twelve, reaching a combined audience of over 2 million viewers.
- Overcame and solved problems swiftly and efficiently at production sites using sophisticated technologies. Reducing setup time by as much as 40%.
- Planned and oversaw training of new employees and assisted them in their new roles and adaptation to the systematic nature of digitally televised broadcast productions.

Wallgreens

July 2020 – February 2021

Pharmacy Technician

The Woodlands, TX

- Diligent and customer-focused Pharmacy Technician at Walgreens with a proven ability to provide superior pharmaceutical support and exceptional patient care. Possessing a comprehensive understanding of prescription processing, and inventory control, I consistently ensured accurate and efficient pharmacy operations.

Sprout Fine Floral Concepts

March 2018 – July 2018

Assistant Manager

The Woodlands, TX

- Assisted florist (my manager) with office and flower shop related duties such as processing floral arrangements, managerial tasks, errands, procuring supplies (flowers, processing materials), customer deliveries, and preparing for large events such as weddings and corporate gatherings.
- Managerial and office roles included creating arrangement cards and delivery tickets via QuickBooks, filing documents and orders, customer follow-up, collecting payments and training employees.

EDUCATION

Lone Star College System

August 2014 – December 2018

Working toward a Bachelor of Science degree, Major Computer Science

Conroe, TX

- Since admittance I've maintained a GPA of 3.23 achieved through hard work and perseverance.

The Woodlands High School

August 2010 – June 2014

Diploma

The Woodlands, TX

- Graduated class of 2014.
- Out-performed academically and in athletic sports such as football, field and track.
